

Renewed Tuina Massage

From Third-Party Booking to Owned Booking Website

We helped Renewed Tuina Massage move away from a third-party booking system to their own professional website with an integrated booking and client intake experience.

 **CLIENT:** Renewed Tuina Massage

 **SECTOR:** Sports Therapy

 **PROJECT TYPE:** Website & Booking System

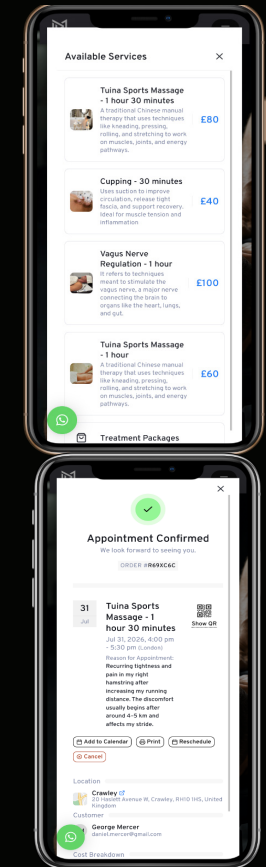

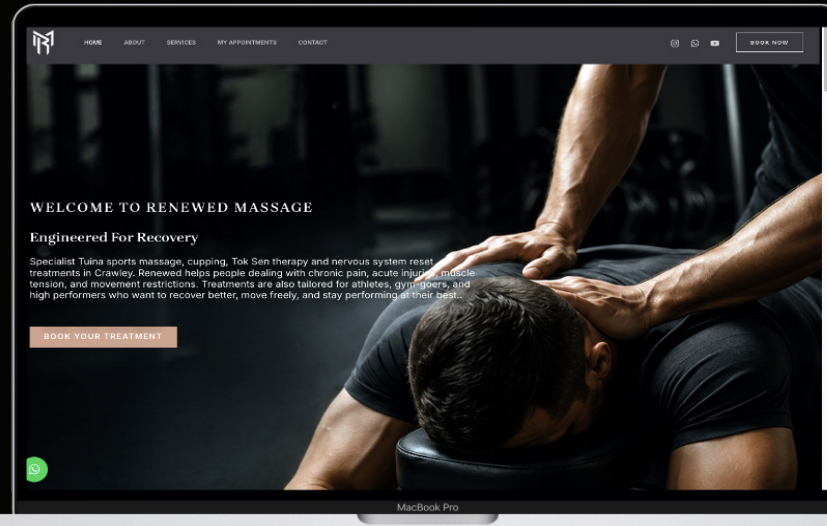

BEFORE

Setmore booking page & limited brand presence.

AFTER

Professional website with integrated booking payments, intake forms & branded experience.

 **Fragmented experience**
Customers had to leave the website

 **Limited brand control**
Third-party branding reduced trust and visibility.

 **Manual process**
Intake and client details were taken manually.

 **Disconnected system**
No automatic sync, more admin and more no-shows.
